

**Dear Brother, Sisters and Friends of Grace on Wings,**

Please find below a link on You Tube for a new video called Eagles Fly. It is a look into the nations only charity air ambulance program based on faith. To date Grace on Wings has done 22 missions over our short time in operation, but that number can grow with faithful monthly supporters.

Over the first six months of 2008 Grace on Wings has given over \$145,000.00 in charitable support that family would have had to come up with in order to get their love one served.

Your prayers and finances are the ropes that lower each cry for help directly in front of Jesus. Meeting the needs, the cost and under-girding the effectiveness of "Grace on Wings" depends upon you. You are co-laborers with us. "Grace on Wings" is **your** ministry. You are the nurse and the pilot. **You** are the hopes and prayers that give air to our wings.

Every patient receives the love of Christ. Every patient receives prayer for the touch and revelation of Jesus in their lives. Our mission is Jesus's heart extended to a world of hurting, broken and needy people.....

Partner with us in prayer and finances extending God's Grace.....

**Isaiah 40:31 NKJV**

**But those who wait on the LORD  
Shall renew their strength;  
They shall mount up with wings like eagles,  
They shall run and not be weary,  
They shall walk and not faint.  
God Bless,**
