Lifefridge Field Trip to Grace on Wings

We received a call from Debbie from LifeBridge Community of Beech Grove, asking if it would be possible to come back out for a series of "field trips". It has been three years since they last brought children to visit. So, in February and March the children from the LifeBridge Community of Beech Grove visited us at the GOW hangar for our separate field trips. It was great to see both Brian and Debbie who are instrumental in this ministry. We have changed hangars since they last came so it was really nice to have a large enough space to accommodate them. We shared with them the purpose of our ministry, taught them a little bit about the equipment we use for our patients and gave them tours of Abe. The children ranged from third grade through eleventh grade. They asked a lot of very good questions. We encouraged them to memorize scripture and read their Bibles daily, reinforcing what they are taught at LifeBridge. Each one left with a cross, Bible and picture of Nellie and Abe.

If you live on the south side and are looking for a place to volunteer and use the gifts God has given you I would encourage you to contact Brian or Debbie at LifeBridge where they are "Building Bridges of Hope...One Young Life at a Time."

Lifefridge Community is a faith-based, nonprofit organization that instills a sense of hope in the lives of children

and families living in poverty on the Southeast side of Indianapolis. Through Christ-centered, creative programming and nurturing relationships, providing tools that empower children and families physically, academically, emotionally and spiritually to achieve a brighter future. Their primary objective is to help children discover and use their God-given abilities to live life with a sense of faith, purpose and a desire for positive accomplishment.

Quilts and Blankets

Recently we were blessed once again with a new supply of quilts and blankets for our patients. We want to thank the lovely ladies at "Quilts on Wings" from First Evangelical Presbyterian Church in Frankfort along with "Comfort Makers, A Ministry of the Fountain" from Fountaintown Christian Church in Fountaintown. We cannot express how much our patients appreciate these handmade quilts and blankets. We are very thankful to each one of these ladies giving their time and talents. Many blessings to each of you!

Visit

Recently we had a visit from Paul and his daughters Malinda and Rebecca along with Rebecca's daughters Jordan and Ashley. They were in town for Malinda's daughters high school graduation. We transported Paul's wife Carol from Indianapolis to Indiana, Pennsylvania back on November 18, 2016, mission # 436. Malinda called to say

her sister and nieces were in town and would love to see the plane that flew their mom home. We said absolutely and Nellie is always up for visitors. It was as a great visit and we are so thankful that Paul and his family always remember us. They are planning to attend the gala again this year and we are very excited about this.

JUST FOR FUN....

So Cody announced recently that he made a new purchase of something called the "ostrich pillow." When he told us what it was we could not believe it so he brought it in for everyone to try on. It was quite hysterical !! It is always good to laugh !!
